

Birds Interest Badge

Dear Cub Parent,

Your cub has expressed interest in the Birds interest badge at cubs. Please sign and date the relevant squares as your child completes a minimum of 3 of the items below.

Identify FIVE different kinds of birds that live in Southern Africa. This can be done in nature or from photographs (fill in page attached)	
Know THREE birds by their call or song. <i>We can do this one at cubs if you let us know that everything else is complete. We have a CD with bird calls.</i>	
Feed birds that are not in captivity and keep a log of which birds were attracted to your feeder (<i>do this for 2 weeks, and you will pass off on a Lion requirement too!</i>)	

Thank you!

Birds Interest Badge

Identify these South African birds. The common name is sufficient.

Birds Interest Badge

Draw and colour in a bird which belongs to your locality:
